\*\* Route adjustments cannot be submitted until after the second full week of school for drivers to get acclimated to their routes and any changes that may be needed.

\*\* Drivers and monitors that pick Special Ed routes are requested by the District that the employee stay on the route for the entire year to give the students structure to their day.

\*\* Employees are not authorized to change their report time without submitting a route adjustment sheet and receive written approval from their immediate dispatcher only.

\*\* All packages are subject to changes by the WFSD Transportation Office.

\*\* Any in-district package; dispatch can assign you to any other schools in the grid above if it is within your package time.

All student information is confidential. Drivers and monitors should not discuss any student while other students are on board the vehicle or at the request of any parent. Please advise them to contact the transportation office.
